PROFESSIONAL SUMMARY

Aspiring Data Analyst and Web Developer with hands-on experience in building full-stack applications using MERN stack and deriving insights from data using Python and SQL. Passionate about solving real-world problems with data and scalable technology.

TECHNICAL SKILLS

Languages: Python, JavaScript, HTML, CSS, SQL, C

Libraries/Tools: Pandas, NumPy, Matplotlib, Seaborn, Power BI, Tableau, Excel, Git, GitHub

Frameworks/Databases: React.js, Node.js, Express.js, MongoDB, MySQL

Others: REST APIs, Data Cleaning, Data Visualization, Agile

EXPERIENCE

Full-Stack Intern | ClassieBit Softwares

Apr 2024 – Sep 2024

- Built full-stack E-commerce and blogging platforms with secure user auth and payments.
- Used Redux for state management and integrated third-party APIs.
- Worked with Agile methodology, Git version control, and deployed apps to cloud.

Data Analytics Trainee | WsCube Tech

Sep 2024 – Jan 2025

- Performed EDA, data transformation, and dashboard creation using Power BI and Tableau.
- Wrote SQL queries for complex joins and aggregations on large datasets.

Intern | Cognifyz Technologies

Feb 2025 – Mar 2025

- Analyzed restaurant dataset using Pandas, GeoPandas, Folium.
- Created heatmaps, visual trends, and online delivery adoption insights.

PROJECTS

Hospital ER Dashboard | Power BI

2024

- Analyzed emergency room data to improve operational efficiency.
- Built KPIs and dashboards for administrative decision-making.

Pizza Sales Analysis | MySQL, Python

2024

- Performed SQL-based data analysis and Python visualizations on sales data.
- Derived insights on customer trends, peak hours, and menu optimization.

Titanic Dashboard | HTML, CSS, JS

2024

- Built a dynamic dashboard to visualize survival trends in Titanic dataset.
- Used JS to render charts with filtering options.

CERTIFICATIONS

5-STAR MySQL | HackerRank

4-STAR Python | HackerRank

Data Analytics – WsCube Tech (2025)

Full-Stack Web Development – ClassieBit Softwares (2024)

EDUCATION

Lachoo Memorial College of Science & Technology

Jodhpur

B.Sc. (Physics, Mathematics, Electronics)

2019 – 2022

Om Vidhya Mandir Sr. Sec. School

Jodhpur

Higher Secondary (PCM)

2018 – 2019
